This is a follow up to request number 16-113:

To Whom It May Concern:

I'm following up on the following Washington Public Records Act request, copied below, and originally submitted on Aug. 4, 2016. You had previously indicated that it would be completed on Oct. 6, 2016. I wanted to check on the status of my request, and to see if there was a new estimated completion date. You had assigned it reference number #16-113.

Thanks for your help, and let me know if further clarification is needed.

On Oct. 24, 2016:
Apologies, we haven't yet received the CD yet. If it hasn't showed up by the end of the week, could you please re-send? Thank you.

On Oct. 24, 2016:
Please refer to the highlighted correspondence below.

On October 6, 2016, I advised that the report was ready to be release. I indicated that the report was too large to email and asked how you would like to receive the report. You replied with your mailing address.

Again on October 6, 2016, I advised that the mail had already ran for the day and that the CD would go out in Friday's (10/07) mail.

I am unsure why you have sent this follow up request. Have you not yet received the CD which was mailed to the address listed below?

Thank you,

On Aug. 4, 2016:

To Whom It May Concern:

Pursuant to RCW Ch. 42.56 (Public Records Act), I hereby request the following records:

Please provide me with all records pertaining to the shooting committed by Dennis Clark III at the Pinewood Village Apartments on 4/21/2013. The records I am requesting include but are not limited to incident reports and discharged round reports.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Alexander Yablon
